

RESIDENT

ROLE

Everyone's participation is important in community networks. Residents help technologists and organizers with their knowledge of the area, and their insight and agreement is necessary to expand the network.

TASKS

Assist Building A New Node & Resolving Events

Working with the Organizer and Technologists, Residents will give their approval and bring their talents to bear on problems. They can contribute local knowledge, feedback on network quality, and skill sharing.

NOTE: they must explicitly consent to being involved in both building a node and resolving the event.
